

AL HARNES AND FEATURE PRETTY RACE

Pat and The Experiment
won with Crowds During
Last Heat at Jettie.

(Special to The Argus.)

Jettie, Aug. 28.—Administration of the crowds at the Rock Island county fair track yesterday continued to be centered on Silver Patch, the gray gelding owned by W. G. Hagle of Oakaloo, Iowa, and The Experiment, owned by J. F. Parks of La Grange, when they each performed beautifully in the free-for-all pace and 2:15 trot, respectively, and grabbed firsts in all heats. Bourbon, who did some pretty work in the 2:14 trot Thursday, proved a poor start and being distanced in the first heat of the "20" trot.

Pat, owner of Silver Patch and Nellie Be Sure, both consistent first place animals this week, probably is the heaviest winner at the fair. Both his entries are real racers and did much to make the card the success that it undoubtedly has been. For the management of the races much credit is due to W. H. Shields, starting judge, who at all times has efficiently handled the situations.

Experiment Wins First.
The first race of the day was the 2:20 trot, which proved to be an exceedingly interesting number. The first heat was a close one, but The Experiment won, Exeter and Baron Alto coming in right behind. It was marked by the distancing of Bourbon Forbes, who proved unruly and delayed the start for some time.

Exeter led during the second

heat, could not keep the gate given way to The Experiment, who did some nice work in the third heat and slipped into second place of Bourbon.

The first-of-all pace was appreciated by the spectators as a demonstration of the prowess of Silver Patch who had things his own way most of the time, only being passed by Bourbon in the second heat. Bourbon took three seconds and Lady Witte, a bay mare, owned by Snider, who also runs Bonita C and Todd Deventure was given fourth money.

The longest drawn out race of the week came in the 2:19 pace, when things began to split on the third heat and it should have taken the full five heats to place the money. Pat T traveled right along at a 2:19 1/2 clip in the first two heats, being overtaken for a time in the first heat by Bonita C. Again in the second heat Bonita C pressed hard and lost at the wire by only a hair. Then in the third things changed, and although Bonita C led all the way, Ding Hal passed her on the home stretch and won out. Pat T was shut out and forced to take third. Ding Hal again won in the fourth, but Billy Sunday kept in ahead of Bonita C and Pat T was shoved clear back to fourth. Bonita C led during the greater part of this heat, but weakened surprisingly at the last.

Pat T Taken Sick.
When it came time for the fifth heat the owner of Pat T reported his entry sick, and money was divided by the judges on the results of the four heats. Ding Hal getting first, Pat T second, and Bonita C and Billy Sunday third and fourth money, respectively.

The track was in better shape yesterday. The inability to secure enough water to sprinkle the track Thursday was overcome and the dust which was such a hindrance was laid by the sprinkler. The finish of the 2:19 pace did not come until 5:35 and most of the spectators had left the stand to hurry homeward in the face of a threat-
